Article 4

National Treatment

3. Subject to its domestic law relating to the entry of aliens, each Party shall grant temporary entry to nationals employed by an investor of the other Party who seek to render managerial or executive services, or services that require specialized knowledge, to an investment of that investor in the territory of the Party.

Article 10

Expropriation

1. A Party may not nationalize or expropriate a covered investment either directly or indirectly through measures having an effect equivalent to nationalization or expropriation (“expropriation”), except for a public purpose, in accordance with due process of law, in a non-discriminatory manner and on payment of compensation in accordance with paragraphs 2 and 3. For greater certainty, this paragraph shall be interpreted in accordance with Annex B.10.
2. The compensation referred to in paragraph 1 must be equivalent to the fair market value of the expropriated investment immediately before the expropriation took place (“date of expropriation”), and must not reflect a change in value occurring because the intended expropriation had become known earlier. Valuation criteria must include going concern value, asset value including the declared tax value of tangible property, and other criteria, as appropriate, to determine fair market value.
3. Compensation shall be paid without delay and shall be fully realizable and freely transferable. Compensation shall be paid in a freely convertible currency and shall include interest at a commercially reasonable rate for that currency accrued from the date of expropriation until the date of payment.
4. The affected investor shall have a right under the law of the expropriating Party to prompt review of its case and of the valuation of its investment by a judicial or other independent authority of that Party in accordance with the principles set out in this Article.
5. This Article does not apply to the issuance of a compulsory licence granted in relation to intellectual property rights, or to the revocation, limitation or creation of an intellectual property right, to the extent that the issuance, revocation, limitation or creation is consistent with the WTO Agreement.

Article 11

Transfers

1. Each Party shall permit all transfers relating to a covered investment to be made freely, and without delay, into and out of its territory. Those transfers include:

1. contributions to capital;
2. profits, dividends, interest, capital gains, royalty payments, management fees, technical assistance and other fees, returns in kind and other amounts derived from the covered investment;

5. payments made under Articles 7 (Compensation for Losses) and 10 (Expropriation); and
6. payments arising under Section C (Settlement of Disputes between an Investor and the Host Party).

2. Each Party shall permit transfers relating to a covered investment to be made in the convertible currency in which the capital was originally invested, or in another convertible currency agreed to by the investor and the Party concerned. Unless otherwise agreed by the investor, transfers shall be made at the market rate of exchange in effect on the date of transfer.

3. Notwithstanding paragraphs 1 and 2, a Party may prevent a transfer through the equitable, non-discriminatory and good faith application of its domestic law relating to:

1. bankruptcy, insolvency or the protection of the rights of a creditor;
2. issuing, trading or dealing in securities;
3. a criminal or penal offence;
4. financial reporting or record keeping of transfers when necessary to assist law enforcement or financial regulatory authorities; or
5. ensuring compliance with an order or judgment in judicial or administrative proceedings.

4. A Party may not require one of its investors to transfer, or penalize one of its investors for failing to transfer, the income, earnings, profits or other amounts derived from, or attributable to, an investment in the territory of the other Party.

5. Paragraph 4 does not prevent a Party from imposing a measure through the equitable, non-discriminatory and good faith application of its domestic law relating to the matters in subparagraphs 3(a) through 3(e).

6. Notwithstanding the provisions of paragraphs 1, 2 and 4, and without limiting the applicability of paragraph 5, a Party may prevent or limit transfers by a financial institution to, or for the benefit of, an affiliate of or person related to that institution, through the equitable, non-discriminatory and good faith application of a measure relating to maintenance of the safety, soundness, integrity or financial responsibility of financial institutions.

7. Notwithstanding paragraph 1, a Party may restrict transfers of returns in kind in circumstances where it could otherwise restrict those transfers under the WTO Agreement and as set out in paragraph 3.

Article 12

Transparency

1. Each Party shall ensure that its laws, regulations, procedures, and administrative rulings of general application respecting a matter covered by this Agreement are promptly published or otherwise made available in such a manner as to enable interested persons and the other Party to become acquainted with them.

2. To the extent possible, each Party shall:

1. publish in advance any measure referred to in paragraph 1 that it proposes to adopt; and
2. provide interested persons and the other Party a reasonable opportunity to comment on that proposed measure.

3. Upon request by a Party, the other Party shall provide information on a measure that may have an impact on a covered investment.

Article 13

Subrogation

1. If a Party or an agency of a Party makes a payment to one of its investors under a guarantee or a contract of insurance it has entered into in respect of an investment, the other Party shall recognize the validity of the subrogation in favour of the first-mentioned Party or agency to a right or title held by the investor.

2. A Party or an agency of a Party, that is subrogated to a right of an investor in accordance with paragraph 1, is entitled to the same rights as those of the investor regarding the investment. Those rights may be exercised by the Party or an agency of the Party or by the investor if the Party or its agency so authorizes.

Article 14

Taxation Measures

1. Except as set out in this Article, this Agreement does not apply to a taxation measure.

2. This Agreement does not affect the rights and obligations of a Party under a tax convention. In the event of inconsistency between this Agreement and a tax convention, that convention prevails.

3. This Agreement does not require a Party to furnish or allow access to information, which if disclosed, would be contrary to the Party's law protecting information concerning the taxation affairs of a taxpayer.

4. Subject to paragraph 2, Articles 4 (National Treatment) and 5 (Most-Favoured-Nation Treatment) apply to all taxation measures, other than those on income, capital gains or on the taxable capital of corporations, except that nothing in those Articles shall apply:

1. to a non-conforming provision of an existing taxation measure;
2. to the continuation or prompt renewal of a non-conforming provision of an existing taxation measure;
3. to an amendment to a non-conforming provision of an existing taxation measure to the extent that the amendment does not decrease its conformity at the time of the amendment with those Articles; or
4. to new taxation measures that are aimed at ensuring the equitable and effective imposition or collection of taxes (including, for greater certainty, a measure that is taken by a Party to ensure compliance with the Party's taxation system or to prevent the avoidance or evasion of taxes) and that do not arbitrarily discriminate between persons, goods or services of the Parties.

5. Provided that the conditions in paragraph 6 are met:

1. a claim by an investor that a taxation measure of a Party is in breach of an agreement between a national government authority of that Party and the investor concerning an investment shall be considered a claim for breach of this Agreement; and
2. the provisions of Article 10 (Expropriation) apply to taxation measures.

6. An investor may not make a claim under paragraph 5 unless:

1. the investor provides a copy of the notice of claim to the taxation authorities of the Parties; and
2. six months after receiving notification of the claim by the investor, the taxation authorities of the Parties fail to reach a joint determination that, in the case of subparagraph 5(a), the measure does not contravene that agreement, or in the case of subparagraph 5(b), the measure in question is not an expropriation.

7. If, in connection with a claim by an investor of a Party or a dispute between the Parties, an issue arises as to whether a measure of a Party is a taxation measure, a Party may refer the issue to the taxation authorities of the Parties. A decision of the taxation authorities shall bind an Arbitral Tribunal formed pursuant to Section C (Settlement of Disputes between an Investor and the Host Party) or arbitral panel formed pursuant to Section D (State-to-State Dispute Settlement Procedures). An Arbitral Tribunal or arbitral panel seized of a claim or a dispute in which the issue arises may not proceed until it receives the decision of the taxation authorities. If the taxation authorities have not decided the issue within six months of the referral, the Arbitral Tribunal or arbitral panel shall decide the issue.

8. Each Party shall notify the other Party by diplomatic note of the identity of the taxation authorities referred to in this Article.

Article 15

Health, Safety and Environmental Measures

The Parties recognize that it is inappropriate to encourage investment by relaxing domestic health, safety or environmental measures. Accordingly, a Party should not waive or otherwise derogate from, or offer to waive or otherwise derogate from, those measures to encourage the establishment, acquisition, expansion or retention in its territory of an investment of an investor. If a Party considers that the other Party has offered such an encouragement, it may request consultations with the other Party and the two Parties shall consult with a view to avoiding the encouragement.

Article 16

Corporate Social Responsibility

Each Party should encourage enterprises operating within its territory or subject to its jurisdiction to voluntarily incorporate internationally recognized standards of corporate social responsibility in their practices and internal policies, such as statements of principle that have been endorsed or are supported by the Parties. These principles address issues such as labour, the environment, human rights, community relations and anti-corruption.

3. a waiver to the TRIPS Agreement granted pursuant to Article IX of the WTO Agreement.

5. Articles 4 (National Treatment), 5 (Most-Favoured-Nation Treatment) and 8 (Senior Management and Board of Directors) do not apply to:

2. provided that the measure referred to in subparagraph (a) is not:
 1. applied in a manner that constitutes arbitrary or unjustifiable discrimination between investments or between investors, or
 2. a disguised restriction on international trade or investment.

2. This Agreement does not prevent a Party from adopting or maintaining reasonable measures for prudential reasons, such as:

1. protecting investors, depositors, financial market participants, policy-holders, policy-claimants, or persons to whom a fiduciary duty is owed by a financial institution;
2. maintaining the safety, soundness, integrity or financial responsibility of financial institutions; and
3. ensuring the integrity and stability of a Party's financial system.

3. This Agreement does not apply to non-discriminatory measures of general application taken by a public entity in pursuit of monetary and related credit or exchange rate policies. This paragraph shall not affect a Party's obligations under Article 9 (Performance Requirements) or Article 11 (Transfers).

4. This Agreement does not:

1. require a Party to furnish or allow access to information if that Party determines that the disclosure of this information would be contrary to its essential security interests;
2. prevent a Party from taking an action that it considers necessary to protect its essential security interests:
 1. relating to the traffic in arms, ammunition and implements of war and to such traffic and transactions in other goods, materials, services and technology undertaken directly or indirectly for the purpose of supplying a military or other security establishment,
 2. taken in time of war or other emergency in international relations, or

3. prevent a Party from fulfilling its obligations under the *United Nations Charter* for the maintenance of international peace and security.

5. This Agreement does not require a Party to furnish or allow access to information which if disclosed would impede law enforcement or would be contrary to the Party's law protecting the deliberative and policy-making processes of the executive branch of government at the cabinet level, personal privacy or the confidentiality of the financial affairs and accounts of individual customers of financial institutions.

6. In the course of a dispute settlement procedure under this Agreement:

Such conforming measure of either Party may not give rise to a claim by an investor of one Party against the other under Section C (Settlement of Disputes between an Investor and the Host Party) of this Agreement.

Article 19

Denial of Benefits

1. A Party may deny the benefits of this Agreement to an investor of the other Party that is an enterprise of that Party and to investments of that investor if investors of a non-Party or of the denying Party own or control the enterprise and:
 1. the denying Party adopts or maintains measures with respect to the non-Party that prohibit transactions with the enterprise or that would be violated or circumvented if the benefits of this Agreement were accorded to the enterprise or to its investments; or
 2. the enterprise has no substantial business activity in the territory of the Party under whose domestic law it is constituted or organized.

 1. not more than three years have elapsed from the date on which the investor first acquired, or should have first acquired, knowledge of the alleged breach and knowledge that the investor has incurred loss or damage thereby,
 2. the investor waives its right to initiate or continue before an administrative tribunal or court under the domestic law of a Party, or other dispute settlement procedures, proceedings with respect to the measure of the respondent Party that is alleged to be a breach referred to in Article 21 (Claim by an Investor of a Party on its Own Behalf or on Behalf of an Enterprise), and

Article 23

Special Rules Regarding Financial Services

1. With respect to:

1. financial institutions of a Party; and

2. investors of a Party, and investments of those investors, in financial institutions in the respondent Party's territory,

this Section applies only in respect of claims that the respondent Party has breached an obligation under Article 10 (Expropriation), Article 11 (Transfers) or Article 19 (Denial of Benefits).

2. Where an investor or respondent Party claims that a dispute involves measures adopted or maintained by the respondent Party relating to financial institutions of the other Party or investors of the other Party and their investments in financial institutions in the respondent Party's territory, or where the respondent Party invokes Article 11(6) (Transfers), 18(2) or 18(3) (General Exceptions), the arbitrators shall, in addition to the criteria set out in Article 26(2) (Arbitrators), have expertise or experience in financial services law or practice, which may include the regulation of financial institutions.

3. Where an investor submits a claim to arbitration under this Section, and the respondent Party invokes Article 11(6) (Transfers), 18(2) or 18(3) (General Exceptions), at the request of that Party, the Arbitral Tribunal shall request a report in writing from the Parties on the issue of whether and to what extent the invoked paragraph is a valid defence to the claim of the investor. The Arbitral Tribunal may not proceed pending receipt of a report under this Article.

4. Where the Arbitral Tribunal requests a report under paragraph 3, the Parties shall prepare a written report. If the Parties cannot agree on the report, they shall submit the issue to an arbitral panel established in accordance with Section D (State-to-State Dispute Settlement Procedures) that shall prepare the written report. The report shall be transmitted to the Arbitral Tribunal and be binding on it.

5. The Arbitral Tribunal may decide the matter where, within 70 days of the referral by the Arbitral Tribunal, no request for the establishment of a panel pursuant to paragraph 4 has been made and no report has been received by the Arbitral Tribunal.

Article 24

Submission of a Claim to Arbitration

1. An investor that meets the conditions precedent in Article 22 (Conditions Precedent to Submission of a Claim to Arbitration) may submit a claim to arbitration under:

1. the ICSID Convention, provided that both Parties are parties to the ICSID Convention;
2. the Additional Facility Rules of ICSID, if only one Party is a party to the ICSID Convention; or
3. the UNCITRAL Arbitration Rules.

2. Except to the extent modified by this Agreement, the arbitration is governed by the arbitration rules applicable under paragraph 1 that are in effect on the date that the claim is submitted to arbitration under this Section.

3. The Parties may adopt supplemental rules of procedure that complement the arbitration rules listed in paragraph 1 and these rules apply to the arbitration. The Parties shall promptly publish the supplemental rules of procedure that they adopt or otherwise make them available in such a manner as to enable interested persons to become acquainted with them.

4. A claim is submitted to arbitration under this Section when:

1. the request for arbitration under Article 36(1) of the ICSID Convention is received by the Secretary-General of ICSID;
2. the request for arbitration under Article 2 of Schedule C of the ICSID Additional Facility Rules is received by the Secretariat of ICSID; or
3. the notice of arbitration under Article 3 of the UNCITRAL Arbitration Rules is received by the respondent Party.

5. Each Party shall notify the other Party by diplomatic note of the place of delivery of notices and other documents.

Article 25

Consent to Arbitration

1. Each Party consents to the submission of a claim to arbitration in accordance with the procedures set out in this Agreement. Failure to meet a condition precedent listed in Article 22 (Conditions Precedent to Submission of a Claim to Arbitration) nullifies that consent.

2. The consent given in paragraph 1 and the submission by an investor of a claim to arbitration satisfies the requirement of:

1. Chapter II of the ICSID Convention (Jurisdiction of the Centre) and the ICSID Additional Facility Rules for written consent of the disputing parties; and
2. Article II of the New York Convention for an agreement in writing.

Article 26

Arbitrators

1. Except in respect of an Arbitral Tribunal established under Article 28 (Consolidation), and unless the disputing parties agree otherwise, the Arbitral Tribunal shall be composed of three arbitrators. One arbitrator shall be appointed by each of the disputing parties and the third, who will be the presiding arbitrator, shall be appointed by agreement of the disputing parties.

2. Arbitrators shall have expertise or experience in public international law, international investment or international trade rules, or the resolution of disputes arising under international investment or international trade agreements. Arbitrators shall be independent of, and not be affiliated with or take instructions from, a disputing party.

3. If the disputing parties do not agree on the remuneration of the arbitrators before the Arbitral Tribunal is constituted, the prevailing ICSID rate for arbitrators shall apply.

4. If an Arbitral Tribunal, other than an Arbitral Tribunal established under Article 28 (Consolidation), has not been constituted within 90 days from the date that a claim is submitted to arbitration, a disputing party may ask the Secretary-General of ICSID to appoint the arbitrator or arbitrators not yet appointed. The Secretary-General of ICSID shall make the appointment at his or her own discretion and, to the extent practicable, this appointment shall be made in consultation with the disputing parties. The Secretary-General of ICSID may not appoint as presiding arbitrator a national of a Party.

Article 27

Agreement to Appointment of Arbitrators

For the purposes of Article 39 of the ICSID Convention and Article 7 of Schedule C to the ICSID Additional Facility Rules, and without prejudice to an objection to an arbitrator based on a ground other than nationality:

1. the respondent Party agrees to the appointment of each individual member of an Arbitral Tribunal established under the ICSID Convention or the ICSID Additional Facility Rules;
2. an investor referred to in Article 21(1) (Claim by an Investor of a Party on Its Own Behalf or on Behalf of an Enterprise) may submit a claim to arbitration or continue a claim under the ICSID Convention or the ICSID Additional Facility Rules only if the investor agrees in writing to the appointment of each member of the Arbitral Tribunal; and
3. an investor referred to in Article 21(2) (Claim by an Investor of a Party on Its Own Behalf or on Behalf of an Enterprise) may submit a claim to arbitration or continue a claim under the ICSID Convention or the ICSID Additional Facility Rules only if the investor and the enterprise agree in writing to the appointment of each member of the Arbitral Tribunal.

Article 28

Consolidation

1. A disputing party that seeks a consolidation order under this Article shall request that the Secretary-General of ICSID establish an Arbitral Tribunal and shall specify in the request:

1. the name of the respondent Party or investors against which the order is sought;
2. the nature of the order sought; and
3. the grounds for the order sought.

2. The disputing party shall deliver a copy of the request to the respondent Party or investors against which the order is sought.

3. Within 60 days of receiving the request, the Secretary-General of ICSID shall establish an Arbitral Tribunal composed of three arbitrators. The Secretary-General of ICSID shall appoint one member who is a national of the respondent Party, one member who is a national of the Party of the investors that submitted the claims, and a presiding arbitrator who is not a national of a Party.
4. An Arbitral Tribunal established under this Article shall be established under the UNCITRAL Arbitration Rules and shall conduct its proceedings in accordance with those Rules, except as modified by this Section.
5. If an Arbitral Tribunal established under this Article is satisfied that claims submitted to arbitration under Article 24 (Submission of a Claim to Arbitration) have a question of law or fact in common, the Arbitral Tribunal may, in the interest of fair and efficient resolution of the claims and after hearing the respondent Party and the investors that submitted the claims, by order:
 1. assume jurisdiction over, and hear and determine together, all or part of the claims; or
 2. assume jurisdiction over, and hear and determine one or more of the claims, the determination of which it believes would assist in resolving the other claims.
6. Where an Arbitral Tribunal has been established under this Article, an investor that has submitted a claim to arbitration under Article 24 (Submission of a Claim to Arbitration) and that has not been named in a request made under paragraph 1 may make a written request to the Arbitral Tribunal that it be included in an order made under paragraph 5, and shall specify in the request:
 1. the name and address of the investor;
 2. the nature of the order sought; and
 3. the grounds for the order is sought.
7. An investor referred to in paragraph 6 shall deliver a copy of its request to the disputing parties named in a request under paragraph 1.
8. An Arbitral Tribunal established under Article 24 (Submission of a Claim to Arbitration) does not have jurisdiction to decide a claim, or a part of a claim, over which an Arbitral Tribunal established under this Article has assumed jurisdiction.
9. On application of a disputing party, an Arbitral Tribunal established under this Article, pending its decision under paragraph 5, may order that the proceedings of an Arbitral Tribunal established under Article 24 (Submission of a Claim to Arbitration) be stayed unless the latter Arbitral Tribunal has already adjourned its proceedings.

Article 29

Documents to, and Participation of, the Other Party

1. The respondent Party shall deliver to the other Party a copy of the notice of intent to submit a claim to arbitration and other documents within 30 days of the date those documents have been delivered to the respondent Party. The other Party is entitled, at its cost, to receive from the respondent Party a copy of the evidence that has been tendered to the Arbitral Tribunal, copies of pleadings filed in the arbitration, and the written argument of the disputing parties. The Party receiving such information shall treat the information as if it were a respondent Party.
2. The other Party has the right to attend hearings held under this Section. Upon written notice to the disputing parties, the other Party may make submissions to an Arbitral Tribunal on questions of interpretation of this Agreement.

Article 30

Place of Arbitration

The disputing parties may agree on the place of arbitration under the arbitral rules applicable under Article 24(1) (Submission of a Claim to Arbitration) or 28(4) (Consolidation). If the disputing parties fail to agree, the Arbitral Tribunal shall determine the place in accordance with the applicable arbitral rules, provided that the place shall be in the territory of a Party or of a third State that is a party to the New York Convention.

Article 31

Public Access to Hearings and Documents

1. An Arbitral Tribunal award under this Section shall be publicly available, subject to the redaction of confidential information. All other documents submitted to, or issued by, the Arbitral Tribunal shall be publicly available unless the disputing parties otherwise agree, subject to the redaction of confidential information.
2. Hearings held under this Section shall be open to the public. The Arbitral Tribunal may hold portions of hearings *in camera* to the extent necessary to ensure the protection of confidential information.
3. A disputing party may disclose to other persons in connection with the arbitral proceedings such unredacted documents as it considers necessary for the preparation of its case, but it shall ensure that those persons protect the confidential information in those documents.
4. The Parties may share with officials of their respective national and sub-national governments all relevant unredacted documents in the course of dispute settlement under this Section, but they shall ensure that those persons protect the confidential information in those documents.
5. If an Arbitral Tribunal's order designates information as confidential and a Party's law on access to information requires public access to that information, the Party's law on access to information prevails. However, the Party should try to apply its law on access to information so as to protect information that the Arbitral Tribunal's order has designated as confidential.

Article 32

Submissions by a Non-Disputing Party

An Arbitral Tribunal has the authority to consider and accept written submissions from a person or entity that is not a disputing party with a significant interest in the arbitration. The Arbitral Tribunal shall ensure that a non-disputing party submission does not disrupt the proceedings and does not unduly burden or unfairly prejudice a disputing party.

Article 33

Governing Law

1. An Arbitral Tribunal established under this Section shall decide the issues in dispute consistently with this Agreement and applicable rules of international law. A joint interpretation by the Parties of a provision of this Agreement shall bind an Arbitral Tribunal established under this Section, and an award under this Section must be consistent with that interpretation.
2. Where a respondent Party asserts as a defence that the measure alleged to be a breach is within the scope of a reservation or exception set out in Article 17(1) (Reservations and Exceptions), or Annex I or Annex II, on request of the respondent Party, the Arbitral Tribunal shall request the joint interpretation of the Parties on the issue. Within 60 days of the delivery of the request, the Parties shall submit in writing their joint interpretation to the Arbitral Tribunal. The joint interpretation is binding on the Arbitral Tribunal. If the Parties fail to submit their joint interpretation within 60 days of the Arbitral Tribunal's request, the Arbitral Tribunal shall decide the issue.

Article 34

Expert Reports

1. Subject to paragraph 2, an Arbitral Tribunal may appoint an expert to report to it in writing on a factual issue concerning environmental, health, safety or other scientific matter raised by a disputing party, subject to such terms and conditions as the disputing parties may decide.
2. The Arbitral Tribunal may not appoint an expert under paragraph 1 if the disputing parties agree that the Arbitral Tribunal may not do so.
3. Paragraph 1 does not affect the appointment of other kinds of experts where the appointment is authorized by the applicable arbitration rules.

Article 35

Interim Measures of Protection and Final Award

1. An Arbitral Tribunal may order an interim measure of protection to preserve the rights of a disputing party or to ensure that the Arbitral Tribunal's jurisdiction is made fully effective, including an order to preserve evidence in the possession or control of a disputing party or to protect the Arbitral Tribunal's jurisdiction. An Arbitral Tribunal may not order attachment or enjoin the application of the measure alleged to constitute a breach referred to in Article 21 (Claim by an Investor of a Party on Its Own Behalf or on Behalf of an Enterprise). For the purposes of this paragraph, an order includes a recommendation.

2. Where an Arbitral Tribunal makes a final award against the respondent Party, the Arbitral Tribunal may award, separately or in combination, only:

1. monetary damages and any applicable interest; and
2. restitution of property, in which case the award shall provide that the respondent Party may pay monetary damages and any applicable interest in lieu of restitution.

The Arbitral Tribunal may also award costs in accordance with the applicable arbitration rules.

3. Subject to paragraph 2, where a claim is made under Article 21(2) (Claim by an Investor of a Party on its own Behalf or on Behalf of an Enterprise):

1. an award of monetary damages and any applicable interest shall provide that the sum be paid to the enterprise;
2. an award of restitution of property shall provide that restitution be made to the enterprise; and
3. the award shall provide that it is made without prejudice to a right that a person may have in monetary damages or property awarded under paragraphs (a) or (b) under a Party's domestic law.

4. An Arbitral Tribunal may not order the respondent Party to pay punitive damages.

Article 36

Finality and Enforcement of an Award

1. An award made by an Arbitral Tribunal has no binding force except between the disputing parties and in respect of that particular case.

2. Subject to paragraph 3 and the applicable review procedure for an interim award, the disputing parties shall abide by and comply with an award without delay.

3. A disputing party may not seek enforcement of a final award until:

1. in the case of a final award made under the ICSID Convention:
 1. 120 days have elapsed from the date the award was rendered, provided that a disputing party has not requested the award be revised or annulled, or
 2. revision or annulment proceedings have been completed; and

2. in the case of a final award under the ICSID Additional Facility Rules or the UNCITRAL Arbitration Rules:
 1. 90 days have elapsed from the date the award was rendered and no disputing party has commenced a proceeding to revise, set aside or annul the award, or
 2. a court has dismissed or allowed an application to revise, set aside or annul the award and there is no further appeal.
4. Each Party shall provide for the enforcement of an award in its territory.
5. A claim that is submitted to arbitration under this Section shall be considered to arise out of a commercial relationship or transaction for the purposes of Article I of the New York Convention.

Article 37

Receipts under Insurance or Guarantee Contracts

In an arbitration under this Section, a respondent Party may not assert as a defence, counterclaim, right of setoff, or otherwise that the investor has received or will receive, under an insurance or guarantee contract, indemnification or other compensation for all or part of its alleged damages.

Section D – State-to-state Dispute Settlement Procedures

Article 38

Disputes between the Parties

1. A Party may request consultations on the interpretation or application of this Agreement. The other Party shall give sympathetic consideration to the request. A dispute between the Parties concerning the interpretation or application of this Agreement shall, whenever possible, be settled amicably through consultations.
2. If a dispute cannot be settled through consultations, it shall, at the request of a Party, be submitted to an arbitral panel for decision.
3. An arbitral panel shall be constituted for each dispute. Within two months after receipt through diplomatic channels of the request for arbitration, each Party shall appoint one member to the arbitral panel. The two members shall then select a national of a third State who, upon approval by the two Parties, shall be appointed Chair of the arbitral panel. The Chair shall be appointed within two months from the date of appointment of the other two members of the arbitral panel.
4. If within the periods specified in paragraph 3 the necessary appointments have not been made, a Party may invite the President of the International Court of Justice to make the necessary appointments. If the President is a national of a Party or is otherwise prevented from discharging the said function, the Vice-President shall be invited to make the necessary appointments. If the Vice-President is a national of a Party or is otherwise prevented from discharging this function,

the Member of the International Court of Justice next in seniority, who is not a national of a Party, shall be invited to make the necessary appointments.

5. Arbitrators shall have expertise or experience in public international law, international trade or international investment rules, or the resolution of disputes arising under international trade or international investment agreements. They shall be independent of, and not be affiliated with or take instructions from, a Party.

6. Where a Party determines that the dispute involves measures relating to financial institutions, or to investors or investments of such investors in financial institutions, or where a Party invokes Article 11(6) (Transfers), 18(2) or 18(3) (General Exceptions), the arbitrators shall, in addition to the criteria set out in paragraph 5, have expertise or experience in financial services law or practice, which may include the regulation of financial institutions.

7. The arbitral panel shall determine its own procedure. The arbitral panel shall reach its decision by a majority of votes. The decision is binding on both Parties. Unless otherwise agreed, the decision of the arbitral panel shall be rendered within six months of the appointment of the Chair.

8. Each Party shall bear the costs of its own member of the arbitral panel and of its representation in the arbitral proceedings. The costs related to the Chair and any remaining costs shall be borne equally by the Parties. The arbitral panel may, however, award that a higher proportion of costs be borne by one of the two Parties, and this award shall be binding on both Parties.

9. Within 60 days of the decision of an arbitral panel, the Parties shall agree on the manner in which to resolve their dispute. The agreement must normally implement the decision of the arbitral panel. If the Parties fail to agree, the Party bringing the dispute shall be entitled to compensation or to suspend benefits of equivalent value to those awarded by the panel.

Section E – Final Provisions

Article 39

Consultations and other Actions

1. A Party may request in writing consultations with the other Party regarding an actual or proposed measure or any other matter that it considers might affect the operation of this Agreement.

2. The consultations under paragraph 1 may address, *inter alia*, matters relating to:

1. the implementation of this Agreement; or
2. the interpretation or application of this Agreement.

3. Further to consultations under this Article, the Parties may take an action as they may agree, including making and adopting rules supplementing the applicable arbitral rules under Section C (Settlement of Disputes between an Investor and the Host Party) of this Agreement.

Article 40

Extent of Obligations

Each Party shall ensure that it takes all necessary measures to give effect to the provisions of this Agreement, including their observance, except as otherwise provided in this Agreement, by its sub-national governments.

Article 41

Exclusions

Sections C (Settlement of Disputes between an Investor and the Host Party) and D (State-to-State Dispute Settlement Procedures) of this Agreement do not apply to the matters set out in Annex III.

Article 42

Application and Entry into Force

1. All Annexes are an integral part of this Agreement.
2. Each Party shall notify the other in writing of the completion of the procedures required in its territory for the entry into force of this Agreement. This Agreement enters into force on the date of the later of these notifications.
3. This Agreement shall remain in force unless a Party notifies the other Party in writing of its intention to terminate it. The termination of this Agreement will be effective one year after notice of termination has been received by the other Party. In respect of investments or commitments to invest made prior to the date when the termination of this Agreement becomes effective, Articles 1 to 41 inclusive, as well as paragraphs 1 and 2 of this Article, shall remain in force for a period of 15 years.

IN WITNESS WHEREOF, the undersigned, duly authorised by their respective governments, have signed this Agreement.

Annex B.10

Expropriation

The Parties confirm their shared understanding that:

1. indirect expropriation results from a measure or a series of measures of a Party that has an effect equivalent to direct expropriation without formal transfer of title or outright seizure;
2. the determination of whether a measure or a series of measures of a Party constitutes an indirect expropriation requires a case-by-case, fact-based inquiry that considers, among other factors:
 1. the economic impact of the measure or the series of measures, although the sole fact that a measure or a series of measures of a Party have an adverse effect on the economic value of an investment does not establish that an indirect expropriation has occurred,
 2. the extent to which the measure or the series of measures interferes with distinct, reasonable investment-backed expectations, and
 3. the character of the measure or the series of measures;
3. except in rare circumstances, such as when a measure or a series of measures is so severe in the light of its purpose that it cannot be reasonably viewed as having been adopted and applied in good faith, a non-discriminatory measure of a Party that is designed and applied to protect legitimate public welfare objectives, such as health, safety and the environment, does not constitute indirect expropriation.

Annex I

 - the establishment or acquisition in Canada of an investment in the services sector, where the measure does not conform with the obligations imposed by Article 4 (National Treatment), Article 8 (Senior Management, Boards of Directors and Entry of Personnel) or Article 9 (Performance Requirements) of this Agreement, on condition that the measure is consistent with Canada's obligations under Articles II, XVI, XVII and XVIII of the WTO *General Agreement on Trade in Services*.
