Law on Investments

[Preamble]

This Law regulates the main principles of the state investment policy aimed at developing favorable investment climate in the republic and attracting and stimulating domestic and foreign investments by means of providing a fair legal regime to investors and quarranties for protection of investments made by investors to the economy of the Kyrgyz Republic.

Chapter I. General provisions

Article 1. Basic concepts and terms used in this Law

1) Investments mean tangible and intangible assets, in particular:

- money;
- movable and immovable property;
- property rights (mortgages, liens, pledges and others);
- stock and other forms of participation in a legal entity;
- bonds and other debenture liabilities;
- non-property rights (right to intellectual property including goodwill, copyrights, patents, trademarks, industrial designs, technological processes, trade names and know-how);
- any right to activity based on a license or in other form given by State agencies;
- concessions based on Law including concessions for search, development, mining or exploitation of natural resources;
- profit and revenue received from investment and re-invested on the territory of the Kyrgyz Republic;
- other forms of investments that are not forbidden by the legislation of the Kyrgyz Republic.

A form in which property is invested, or any change in this form shall not influence the nature of investments.

2) Direct Investments mean the holding, acquisition by an investor of not less than one third percent of stock and stockholders votes in joint stock companies registered or newly created on the territory of the Kyrgyz Republic, or any equivalent of such participation in business entities of other types and all further operations between an investor and a company which is invested to, investment of capital to the fixed assets of branches, representative offices of a legal entity created on the territory of the Kyrgyz Republic.

3) Investor means a subject of investment activity making his own, borrowed or attracted contributions as direct investments.

Domestic investor means a legal entity or natural person of the Kyrgyz Republic, a foreign citizen and person without citizenship having status of resident in Kyrgyz Republic and engaged in investment activity on the territory of the Kyrgyz Republic.

Foreign investor means any natural person or legal entity which is not a domestic investor making contributions to the economy of the Kyrgyz Republic, including:

1. a natural person who is a foreign citizen or person without citizenship, permanently living outside the Kyrgyz Republic;
2. a legal entity which is either:
 - founded and registered in accordance with the legislation of a foreign State; or
 - founded with foreign participation but established in compliance with the legislation of the Kyrgyz Republic: entirely belonged to one or more foreign natural, legal persons; or controlled and managed by one or more foreign natural, legal persons on the basis of a written contract, the right to exercise the majority of shares, the right to appoint the majority of members to its executive or supervisory bodies, or not less than one third percent of stock and stockholders voices of which are held by foreign citizens, people without citizenship permanently living outside the Kyrgyz Republic or legal entities as referred to in this Article.
3. a legal entity created by inter-governmental treaty of the Kyrgyz Republic;
4. foreign organization which is not a legal entity;
5. international organization.

4) Investment Activity means practical operation of investor in respect of his investments.

5) Reinvestment means investment in the objects of entrepreneurial activity on the territory of the Kyrgyz Republic for the account of proceeds and profits of investors received from their investments made in Kyrgyz Republic.

6) An Investment dispute means any dispute between an investor and governmental bodies, officials of the Kyrgyz Republic and other participants of investment activity, arising in process of investment realization.

7) An Authorised governmental body means a body of state administration, authorized by the Government of the Kyrgyz Republic to promote investments and coordinate investment activity in the Kyrgyz Republic. The regulation on the authorized governmental body is approved by the Government of the Kyrgyz Republic.

Article 2. Legislation of the Kyrgyz Republic on investments

1) Legislation regulating the investment regime is comprised of the Constitution of Kyrgyz Republic, this Law, other laws and regulatory legal acts of the Kyrgyz Republic.

2) If any amendments are made to the investment legislation of Kyrgyz Republic except for the Constitution of Kyrgyz Republic, tax legislation and legislation regarding state security, public health and environmental protection, investors shall have the right to opt for more favourable conditions within ten years from the date of approval of such amendments.

3) In case of contradictions in provisions of this Law and the interstate agreements to which the Kyrgyz Republic is a signatory, the provisions of the interstate agreements shall apply.

Article 3. Scope of the present Law

1) Direct investment relationships in the Kyrgyz Republic shall be regulated by this Law and other regulatory legal acts of the Kyrgyz Republic adopted in accordance with this Law.

2) Investments to credit or insurance organizations shall be regulated by specific regulatory legal acts of the Kyrgyz Republic.

Chapter II. Legal guarantees for investors

Article 4. Guarantees of investment and investors protection

1) The Kyrgyz Republic shall provide foreign investors, making investments on the territory of Kyrgyz Republic, with the national regime of economic activity applicable in respect of legal entities and natural persons of the Kyrgyz Republic.

2) Foreign investors, their representatives and foreign employees living in the Kyrgyz Republic in connection with their investment activity have the right for free travel on the territory of the Kyrgyz Republic, except for territories where they may stay on the terms and pursuant to the procedure as defined by respective legislation of the Kyrgyz Republic.

3) The Kyrgyz Republic in the person of its authorized governmental bodies shall not permit discrimination in respect of investors on the basis of their citizenship, nationality, language, sex, race, religion, place of their economic activity and country of origin of investors or investments.

4) The Kyrgyz Republic in the person of its authorized governmental bodies, officials and self-government bodies shall abstain from any interference with economic activity, rights and legal interests of investors, except as provided by the legislation of Kyrgyz Republic.

5) Officials of the Kyrgyz Republic violating the provisions of this Law shall bear a responsibility pursuant to Kyrgyz law.

6) Restoration of violated rights and interests of investors guaranteed by the laws of the Kyrgyz Republic shall be regulated by the legislation and international agreements of the Kyrgyz Republic.

7) Investors, making investments in the priority economic and social sectors and in certain areas of the Republic, in accordance with the state development programs (projects), may be granted investment benefits in compliance with the Kyrgyz law.

8) Investments may be made in any form to the objects and types of activity not prohibited by Kyrgyz law, including into the licenseable types of activity pursuant to the Law of the Kyrgyz Republic "On licensing".

Article 5. Guarantees of export or repatriation of investments, property and information outside the Kyrgyz Republic

1) An investor shall have right for free export or repatriation of compensation in freely convertible currency provided by Article 6 of this Law, and proceeds received from investments on the territory of the Kyrgyz Republic, including but not limited to the following:

a. profit from investments received as dividends, interest and other forms of proceeds;

b. resources received by investors upon partial or full termination of investment activity in Kyrgyz Republic or alienation of investments, property and property rights, without prejudice to the investor's obligations to Kyrgyz Republic or any other lenders.

2) An investor, who initially imported to Kyrgyz Republic property and information in a documentary or electronic form as investments, shall have right for repatriation (without being subject to quota, licensing and any other measures of nontariff regulation of foreign trade) of the aforesaid property and information outside the Kyrgyz Republic.

Article 6. Guarantees for protection from expropriation of investments and compensation of losses to investors

1) Investments shall not be subject to expropriation (nationalization, requisition, or other equivalent measures, including actions or omissions by the state bodies of the Kyrgyz Republic which have resulted in forced withdrawal of investors' funds or in their deprivation of an opportunity to gain on the investments' results), except as provided by the legislation of the Kyrgyz Republic when such expropriation is effectuated in public interests on the basis of nondiscrimination, in observance of a proper legal order and is carried out with timely, appropriate and real compensation of damages, including lost profit.

2) The compensation shall be equivalent to the fair market price of the expropriated investment or its part, including lost profit, fixed on the date of decision on expropriation. The fair market price must not reflect any change in the value as a result of knowing beforehand that the expropriation will take place.

3) The compensation shall be realizable, paid in a freely convertible currency within the terms agreed by parties. Compensation shall include interest at the London interbank rate of LIBOR in US Dollars corresponding to the period for which compensation is charged. If such period is more than one year, a twelve-month rate shall be used.

4) The proper legal order provides for the investors right for an expedient consideration of a case if the claim on expropriation was filed, including evaluation of his investment and payment of compensation, in accordance with provisions of this Article, by a judicial body or any other competent state body of the Kyrgyz Republic without violation of a procedure for compensation of losses to investors pursuant to Article 18 of this Law.

5) The investors which suffered damage to their investments in the Kyrgyz Republic as a result of the war or any other armed conflict, revolution, state of emergency, civil collisions or other similar circumstances, shall be granted the legal status and conditions as favorable as such are applied to legal and physical persons of the Kyrgyz Republic.

Article 7. Guarantees for the use of proceeds

1) Foreign investors shall have the right to use and dispose their investments and proceeds and profit received from investment activities for any purposes, not prohibited by the legislation of the Kyrgyz Republic, freely and in their own discretion.

2) In order to maintain and utilize proceeds and other resources, investors shall have the right to open accounts in the national and foreign currency in accordance with the legislation of the Kyrgyz Republic in the territory of the Kyrgyz Republic.

Article 8. Freedom of currency transactions

1) Currency transactions shall be carried out by investors in accordance with the Law of the Kyrgyz Republic "On Foreign Currency Transactions" and other regulatory legal acts of the Kyrgyz Republic on currency controls.

2) With respect to all payments relating to investments in the Kyrgyz Republic investors shall have the right to convert freely the national currency of the Kyrgyz Republic into any other currency.

3) Money transfers in foreign currency related to investments shall be carried out freely to and from the Kyrgyz Republic in conformity with a procedure established by Kyrgyz law.

4) If Kyrgyz legislation is amended to the extent restricting foreign currency transfers to and from the Kyrgyz Republic, such amendments shall not apply to foreign investors. Such restrictions for foreign investors may be enforced only on the basis of the law to prevent money laundry operations.

Article 9. Free access to open information

1) All regulatory legal acts of Kyrgyz Republic and court decisions which affect in any manner interests of investors must be accessible to them, and must be published as directly provided for by the legislation of the Kyrgyz Republic.

2) State bodies and officials of Kyrgyz Republic shall provide investors at their request with accessible information they are interested in according to the procedure provided for by the legislation of the Kyrgyz Republic.

Article 10. Investors' economic independence and recognition of their rights

1) Investors can freely choose the amount, composition and structure of the capital of a newly created legal entity unless otherwise provided by Kyrgyz law.

2) Investors shall have right to conduct economic activity necessary for realization of investment activity with legal and natural persons, including foreign persons in compliance with Kyrgyz law.

3) Investors may create subsidiaries, branches and representative officers on the territory of the Kyrgyz Republic subject to Kyrgyz legislation. Branches and representative officers shall operate pursuant to the regulations approved by a parent company and shall carry out their activity on behalf of the parent company. The parent company shall bear responsibility for activities of branches and representative officers.

4) By virtue of agreement, investors may transfer their rights (assign claims) and duties (assign debts) in accordance with Kyrgyz legislation.

5) Investors may voluntarily form associations and other unions on the territory of Kyrgyz Republic in accordance with Kyrgyz legislation.

6) Investors may attract to the Kyrgyz Republic monetary funds as credits, securities and other loans. The investor's assets and various property and nonproperty rights may be used as a security for such investor's obligations.

7) Investors may participate in privatization of the state and communal property by acquiring the ownership rights to the state and communal property or its shares in the charter capital of the privatized enterprise on the terms and in conformity with a procedure established by Kyrgyz legislation.

8) Investors may acquire the government notes, stock and other securities of legal entities registered in the Kyrgyz Republic in accordance with Kyrgyz legislation.

9) The Kyrgyz Republic and its officials shall recognize all rights of investors with respect to their intellectual property objects and pertaining to the foreign investments.

10) During the transfer of property rights on buildings and constructions the right to use lands is transferred along with these objects in order and conditions established by the legislation of the Kyrgyz Republic.

11) The tenant right of land can be acquired by investors in conformity with a procedure established by the legislation of the Kyrgyz Republic.

Article 11. Concession contracts

1) Provision to foreign investors of concession on exploration, development and exploitation of natural resources and depths, other economic activity is carried out on the basis of concession contracts signed by foreign investors with authorized state bodies of the Kyrgyz Republic in order determined by the legislation of the Kyrgyz Republic.

2) Concessions are allowed in all spheres and types of activity if they are not forbidden by the legislation of the Kyrgyz Republic and comply with the purposes of signed concession contracts.

Article 12. Investments in special economic zones

The provisions of Kyrgyz legislation governing the special economic zones shall apply to the making of investments into the special economic zones.

Chapter III. State support of investors and investments
